MEN'S / WOMEN'S

A = Chest / Bust

Measure the chest/bust at the fullest part placing the tape under the arms.

B = Waist

Measure around the waist at the height at which you would normally wear your trousers.

C = Hip

Measure around the fullest part of your hip.

D = Inside Leg

Measure from the crotch to where your trouser leg is normally worn at the ankle.

REGATTA HARDWEAR FABRIC RANGE

Our clothing is tested to the limits. Waterproofs come guaranteed as standard. Garments are washed, flexed 9000 times, zipped and unzipped. Our quality manufacturing is British BS, European EN and International ISO standard assured. We work hard at making our clothes work harder.

ISOTEX

With a waterproof hydrostatic head of 3000mm, the waterproof performance keeps the water out whilst the hydrophilic breathability system allows inner moisture vapour to escape.

HYDRAFORT

Hydrafort fabric is both waterproof and windproof, provides reliable protection from the elements whilst reducing the production of body heat.

WATER REPELLENT

Our enhanced water repellent treatment keeps you drier for longer. Water rolls off the surface of the garment.

**SOFTSHELL**

Water repellent and windresistant to keep you warm and comfortable during high energy activities.

**SYMMETRY**

Comfortable and practical to wear, perfect for the outdoors with an anti-pill finish making it durable and long lasting. Quick drying, easy to care for and super soft to provide extra comfort.

**THERMOGUARD**

Made up of synthetic fibres which trap the air keeping you warm in cold conditions, soft and light with the warmth coming from the high loft insulation, quick drying and easy to care for.

**DURAZONE**

Constructed to withstand the everyday wear and tear demands of the workplace. Regatta's hardwearing and reliable 100% polyamide.

Durazone fabric:

- Is durable and abrasion resistant
- Encourages rain run-off with a durable water repellent outer fabric treatment
- Withstands repeated washing with easy to care for modern fibres

**TRIPLE STITCHED**

Triple stitched to side seams and crotch.

**YOUR PERFORMANCE GUARANTEE**

We will, without reservation, replace this waterproof product, entirely free of charge if returned due to a manufacturing or fabric fault, within a period of 2 years for Hydrafort 5000 and 3 years for Isotex from the date of purchase.

- This excludes snaps, damage caused by misuse, abnormal wear & tear, accidents, alterations, embroidery or embellishment.
- This guarantee applies only to the original purchaser and does not affect your statutory rights.
- In the unlikely event of a problem please return this product together with proof of purchase to your supplier.

To register your guarantee, please enter your details on our website at regattaprofessional.com

Regatta, Regatta Great Outdoors, Isotex, Hardwear and Proven To Work are registered trade marks of Regatta Limited. This brochure is made using paper from a completely sustainable source. Colours are printed as accurately as the printing process will allow.
